

Self-publicised - public notice due to controlled media.

To all concerned, I..... (lower case)... born: hereby give formal notice that having investigated thoroughly authority services & inverted injustices, that I can confirm evidencing the unlawful actions of legal fraud deceptions utilising the "NAME in CAPITALS" & its "deceived consent", via the birth certificate & all its associated profitable scams, extortions, & corruptions, the deception creates the covert trading legal entrapment. Note: Gods Law (torah) has not been removed, it is just obscured.

Note: legal entrapment is unlawful, it is recognised crime, so I with immediate effect revoke all consents, to all legal matters, past & present, unless a dual signed & contract is held/ shown in my real "name"/signature.

Therefore I do not consent, I do not contract, I do not acquiesce nor trade, or allow access or enquiry to my nor my children's Cestui que vie trust, (social security account) otherwise known as our "withheld estate". everyone & bar no one, has a duty in law to not commit crime, deceive, abuse, entrap, exploit or extort.

All deemed authorities are now notified & therefore have no legal jurisdiction against me, I am now not "deemed dead lost at sea", & I am no longer to be contacted or addressed in the legally entrapping trading NAME in CAPITALS, nor be identified in the law revoking status of Master, Mr, Mrs or Miss. I shall continue to investigate & evidence all individuals involved, as part of the ongoing public investigation/exposure. This deception is a national & international historic secret, kept by benefiting freemasonic secret societies, via corporations, central banking war debt profiteering, & for all scams, bond equity frauds & their conduits these & the covert control only remain via the upheld & maintained public naivety & debilitation, until now.

I notify you, that I am now also ware & comprehending the deceptive form of "legalese language" as another unlawful instrument of manipulatively legally entrapping, therefore I am only to be addressed as "man", "woman" or "member of the public" from now on, (not an "understanding" "person," "civilian" or "citizen").

I am aware of all of the historic machevelion principles used, including the great fire of London & bubonic plague ruse, used extensively to sneak in this C.Q.V, deception (uncontended) for the corrupt cannon "acts". Plus the associated historic façade of day count plans & the depopulation schemed deceptions associated.

Also now exposed is the extent of "bond equity profiteering" facading "fraud courts", that are businesses disguised as courts & upheld as fraud by facading professionals/judiciary that provide only bogus documents via proxy's, these systematic collusions are substantially pro-narcissistic, pro-abuser, pro-legal, pro-deviant, paedophile, & cover up omnipotent freemason organised corruptions in intention. This includes: the Phoenix scam (business destruction, takeover / insolvency), plus the Mortgage fraud & Property scams.

This also in accordance with the corresponding "Fraud family court", with all New World Order international schemes, are now identified as using bogus gagging orders, so I state on the record, that the inverted outcomes, that were previously inverted & in-explicable, were for extending extortion, via drawn out cases, that induced pro narcissistic, parental alienation, forced adoption, child trafficking & care home abuses & cover ups in their outcomes, these were all going against obvious children's needs, wishes & personal welfare. This has is all been in the systematic guise that prevents, witness, evidence, authentic documents, recording & by the fraud "NAME" in no accountability, so this has been kept covert & all done in private.

I & my children/issue_have been imposed into debilitation, threat & harm, now known as manipulations. I am not fooled by, corona virus, 5G, vaccines or the confusional "order out of chaos" depopulation threats.

I now contend all actions, control, oppression in legal entrapments ("the admiralty beast rising of the sea"), with Law & I am restoring my status to man/ woman & so restoring gods law (torah) in the process.

This notice has been shared directly to a minimum of 20 members of the local public before being served.

.....(autograph)..... date of revoked consent.
